Welcome to the Haas Account Tool

Use this site to update your Haas password.

Step	Procedure
4	<p>In the ensuing dialog box, enter your current (or temporary) password in the Current password field, then the new password in both the New password and Confirm new password fields. If the new passwords match and meet the guidelines*, then the password will be reset.</p> <p><i>* To read the password setting guidelines, click on the Choosing a Good Password link on the page.</i></p>

The screenshot shows the BerkeleyHaas website interface. At the top left is the BerkeleyHaas logo with the text "Haas School of Business University of California Berkeley". At the top right, it says "Hello Oscar_Bear" and "LOG OFF". A large banner in the center reads "Haas Account Tool". Below the banner are links for "Home" and "Change my password". The "Change Password" section is highlighted. Below this, there is a paragraph of instructions: "If you are a new user to Haas, you will need to enter your default password in the current password field and select a new password. For help changing your Haas Account password, see [Choosing a Good Password](#)." Below the text is a form with four input fields: "Haas user name" (containing "Oscar_Bear"), "Current password", "New password", and "Confirm new password". A red "Change password" button is at the bottom of the form.
