

Quick Start Guide

NOTE: Collaborators must all be connected to AirBears2

1. Using the lectern PC, click the Solstice icon  on the desktop.
2. Direct the browser of your laptop, tablet or phone to the URL shown on the screen.
3. Click "Connect" and you'll download the app.
4. Open the app, and click on the name of the display. If you don't see the display, re-enter the IP address shown on the screen.
5. Enter the screen code shown on the screen.
6. Share an image, video or mirror your entire screen!
7. Got it? Ask your students to connect and start collaborating!
