

Student Access to Course Materials

Instructions to Use Study.Net

Study.Net enables online delivery and management of your course materials. If you have any questions regarding the use of Study.Net, please click “**contact**” at the bottom of any Study.Net page or send an email to: customerservice@study.net.

1 Login to Study.Net

If this is your first time using Study.Net, you must register as a student to obtain a login and password. Please go to www.study.net/berkeley, click on the “**register**” link, then follow the prompts to register.

2 Purchase Course Materials

- After login, click the link: 
- Select your course(s) from the list of available courses at your school and click “**Add to Cart**” to start the purchase process. Follow the prompts.
- During the purchase process, you will have the option to buy a **printed course reader** (i.e. TEXTPAK™). This is an optional additional purchase, printed by Study.Net and shipped directly to your mailing address by USPS Priority Mail.
- When you’re ready, follow the prompts to complete your purchase with a credit card or PayPal.

3 View Course Materials

- After login, click “**courses**” in the blue header.
- Highlight a course name and click “**View Course.**”
- Click the “**materials**” tab.
- Click a material name to view that particular material.
- Click the “**How-To**” link (above the course material list) for tips on how to manage (i.e. view, print, save and annotate) your course materials.

4 Zip Files

You can download all or most of your course materials at one time by using the “**Download Zip File**” feature at the bottom of the course materials list.

5 PDF eBooks

When this option is available, click “**Download eReader File**” (at the bottom of the course materials list) to view a single paginated PDF of all the course materials in a course.
